LANCOPEX '90

PRESIDENT'S WELCOME

Once again it is spring and time for Lancopex '90. We of the Lancaster County Philatelic Society would like to take this opportunity to welcome everyone to this year's show. Whether you are a serious collector, or just want to know a little bit about this hobby, we hope you will find things that interest you and increase your knowledge of philately.

A thank you to the dealers that are taking part in this show. The sharing of their knowledge, willingness to provide information, and the wide range of material they have for sale help to make this show a success. Many of the dealers have been with us since we started Lancopex and we look forward each year to having these great people back with us.

A special thank you to the Park City Center for allowing us to once again hold our show in the mall. The cooperation of the mall management has been outstanding and it is very much appreciated.

Enjoy the exhibits on which the exhibitors have worked so hard. The talent, imagination, and philatelic knowledge of these individuals serve to educate and entertain us all. A big well done to all those who took the time to enter the show. Whether you got a ribbon or not, you are all winners.

If you have any questions or we can help you in any way, see any member of the Lancaster County Philatelic at the membership table located in the mall.

Richard P. Shaefer

LANCOPEX '90 Cachet/Cancellation

Barr's Penny Dispatch was a Local Post established in 1854 by Elias Barr at Lancaster, PA. Local Posts were privately owned enterprises established to deposit and pick up mail at the post office prior to carrier service. Mr. Barr advertised that Barr's Penny Dispatch would deliver mail to or from the post office for a fee of 1¢. He issued stamps that could be purchased at Zahn & Jackson Jewelry Store, 15 N. Queen St. and would pick up mail from boxes he placed within the city.

Two stamps were issued, a common black on green paper and a scarcer red on white paper.

In 1935, The Lancaster Stamp Club, the predecessor of the Lancaster County Philatelic Society, issued a souvenir sheet of the green stamp at their fifth exhibition. The red stamp has been reproduced using the same plates for the fifth anniversary of Lancopex.

The commemorative covers were prepared for Lancopex '90. The identical covers depict the Barr's Penny Dispatch stamp in correct color.

The cancellation was taken from an actual 1855 postmark of the type in use during the existence of Barr's Penny Dispatch. The "Paid 3" was used when stamps were not available.
