Lancaster County Philatelic Society

A Message from the President

On behalf of the members of the Lancaster County Philatelic Society, I welcome you to the 20th anniversary presentation of LANCOPEX.

If you have any questions, comments or suggestions please feel free to approach any of the Society members who are present. We welcome the opportunity to meet and talk with you.

I also would like to extend an invitation to you to attend one of our meetings as a guest, and to consider becoming a Society member. Whether you are a beginner or an advanced collector, you are likely to find Society membership to be fun and informative.

Meetings with structured programs are held the second Wednesday of each month at 7:00 P.M. at the Maple Grove Community Center, 1420 Columbia Avenue. Eight months of each year we hold a second meeting, on the fourth Thursday of the month, at the Grace Baptist Church, 1899 Marietta Avenue. This meeting, at 7:00 P.M., provides the members with an informal evening of philatelic buying, selling, trading and socializing

If after leaving you have any questions about Lancaster County Philatelic Society meetings or membership, please feel free to give me a call. My phone number is (717) 560-6278.

**With best regards,
Al Schaub**

Millersville University - 150th Anniversary

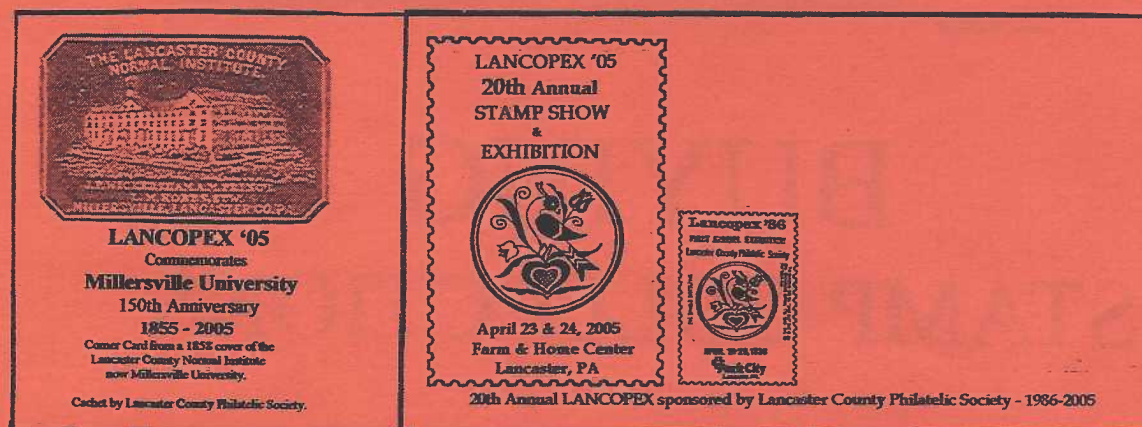

The Lancaster County Normal Institute was established on April 17, 1855 in Millersville, Pa., a town of less than 100 residents. On November 18, 1855 the name was changed to Lancaster County Normal School. Marietta, Mount Joy and Hinkletown also had established normal schools in Lancaster County.

Old Main stood on the corner of what is now Frederick and George Streets and was replaced over a century later with the current library.

On July 7, 1927 the normal school was renamed Millersville State Teachers College and continued until November 12, 1982 when it became Millersville University as did the other state colleges in Pennsylvania.

The cachet for the Lancopex cover is from the corner card of a 1858 letter mailed from The Lancaster County Normal Institute. The actual cover can be viewed in the show exhibit "A Glimpse at Lancaster County Postal History".

20th Annual Show Cover

Following are a few of the random thoughts from the Lancopex committee printed in the 1995 Lancopex Program:

"I want to be a dealer at any stamp show that advertises it's 1st ANNUAL stamp show"

"Hey Joe! Exhibit deadline was yesterday. Are you going to send an exhibit? Please!!!"

"Hello - This is the Post Office. The good news is your cancellation is in, the bad news is that it has the wrong date."

"You want to store ALL the frames in whose garage?"

"You cut your winter hibernation in Florida short to attend OUR stamp show?" ...

Another ten years have passed and the same thoughts and more still persist. We now have more dealers, more exhibits (still hard to get) and more problems, but as we did 10 years ago we want to thank the all the dealers, exhibitors, judges, the post office and especially all the stamp collectors who have made the show such a success. Thanks to all for 20 great years of dedication to Lancopex.

Covers are available at the club table in the lobby - Your purchase helps Lancopex
