## **President's Message**

Welcome to Lancopex 2010!

This is the 25th year for Lancopex, so it's a very special show. It's a special show, also, because of a very special person – Jim Boyles. Jim founded Lancopex in 1986, and he's been coordinator or co-coordinator every year since then. Jim began collecting stamps as a child and, after a break, returned to the hobby in the mid-1970's. He has been a member of our Society since 1978 and served as President from 1982 to 1987 and in 2002. He has been a member of the American Philatelic Society since 1975. In 2009 he received one of the APS's Volunteer Recognition Awards. His collecting interests include Lancaster County and Lancaster City postal history, early U. S. postage and revenues, and general worldwide. Jim is also a dealer, with a booth at this show, so when you see him thank him for the great job he's done for so many years!

If you're not already a member of the Lancaster County Philatelic Society, please consider joining (dues are a modest \$10), or just stop in to visit at a meeting. Meetings are generally held at 7:00 p.m. on the second Wednesday of each month at Woodcrest Villas. Programs include speakers, slide programs from the APS, and auctions. We have a picnic each August and a dinner in December. Members receive a monthly newsletter by email or USPS. Occasional special events, like a trip to a show, round out our program.

We're glad you're here today. Have a great time!

Sincerely, John R. Ahlfeld, President

### **BOY SCOUTS OF AMERICA 100<sup>TH</sup> ANNIVERSARY**

In 1909, William D. Boyce, an American newspaperman and entrepreneur, became lost in London and was rescued by a Scout. The Scout declined a tip, saying he was doing his Good Turn as a Scout. Intrigued, Boyce visited Scouting headquarters to learn more about the program. On February 8, 1910, Boyce filed incorporation papers in Washington, D.C., and the Boy Scouts of America was born. Boyce enlisted the help of Ernest Thompson Seton and Daniel Carter Beard—both of whom had founded their own boys' organizations—to create an Americanized Scouting program. That program, described in the 1911 *Handbook for Boy*, was quickly adopted by young people across America.

For 100 years, the BSA has created a foundation of leadership, service, and community for millions of America's youth.
