## Presidents Message

Every time I get too serious, I go back to the adage, "Stamps are fun!" That is what this show and our club is all about. It can be work, but for collectors the work is what we want to do, and with work we can enjoy, even more, the fruits of our labors. Isn't it really neat that within stamp collecting, there are so many directions that we can go. If one part of the hobby loses its appeal, there are hundreds of other directions that we can go to satisfy that urge to collect. A new direction could be a topic like Horses on Stamps, or a new country, or a specialized jaunt into precancels, or collecting special covers. In a world which sometimes seems that it is spinning the wrong direction, our hobby provides a steady rock upon which we may plant our feet.

Lancopex 2013 is Lancaster County Philatelic Society's first show without a true champion of making collecting fun. Jim Boyles is missed greatly.

**Thank you to all committee chairpersons and committee members that have stepped up to the challenges for 2013.. It has been a tough learning experience, but all have been up to the challenge.**

**THANKS ALSO TO ALL THE DEALERS WHO HAVE COME TOGETHER TO HELP PRODUCE THIS SHOW.**

Please enjoy your visit to LANCOPEX 2013 and always remember,  
**"Stamp collecting is fun!"**

Bob Noble
