LANCASTER COUNTY PHILATELIC SOCIETY

President's Message

Dear Fellow Stamp Collectors,

It is a pleasure to welcome you to another wonderful Lancaster County Philatelic Society stamp show and bourse. You will find many interesting displays from around the world and throughout the history of the United States that are both educational and enjoyable. Take some time and study the displays which have been set up. Our dealers certainly deserve your time and energy, but so do all those who have gone out of their way to display their collections in such an informative way.

As President of the club for 2007, I must personally thank all of those members who have so generously given of their time for the success of our show. It is only once a year that we put together such a large undertaking, but do not mistake the fact that it is a very, very large undertaking, from setting up tables, to organizing the exhibits, to working with the dealers, and all the jobs which are easy to miss such as hospitality. This show is the work of many members of our club and all those members definitely deserve our thanks. As we begin to move toward some new members to help with the organization of the show, we still rely heavily on our stalwart chairperson of the show, Jim Boyles, without whom the show would not be what it is today. If you see Jim during the show, make a point of saying thanks to him for his hard work this year and in years past.

I believe our club is unique in its demographics. We are firmly rooted with all our "experienced" collectors, but we get many new ideas from the wide range of active participants (of both sexes) in our meetings. It is an active club that makes a real effort at including both young and old in all our activities. You can't go wrong by coming to one of our regular meetings on the second Wednesday of the month. We meet at the Maple Grove Community Center in the 1400 block of Columbia Ave. Stamp collecting is fun!!!! Enjoy the show!

Respectfully,
Bob Noble
