Dear fellow members and future members,

MAIL CARRIERS ON POSTCARDS NOVEMBER PROGRAM

Whether you have an interest in postal history or not, you owe it to yourself and any one else who likes postcards or stamps to NOT MISS THIS NOVEMBER PROGRAM! Invite your philatelic friends to be your guests.

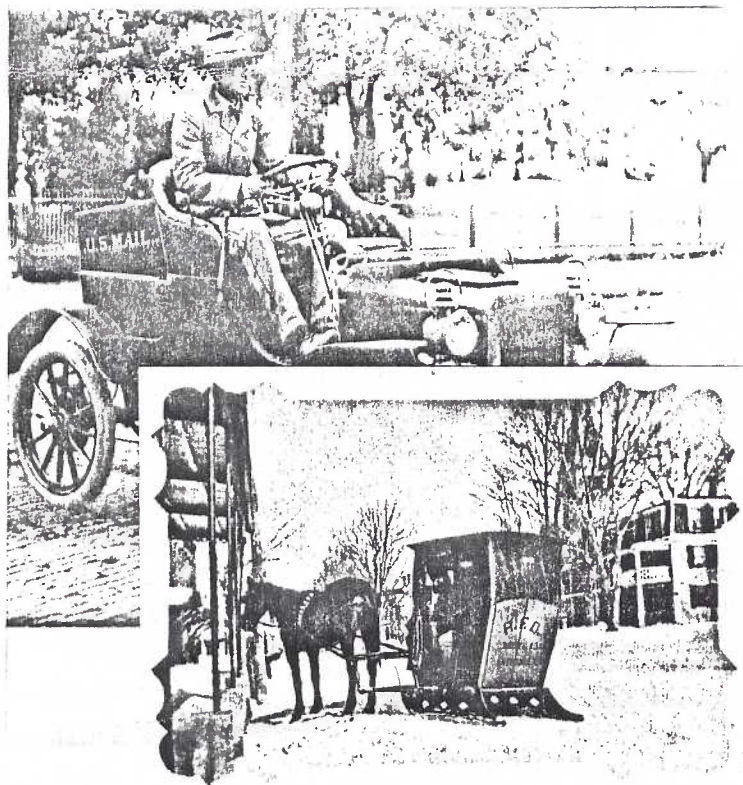

ED: Actual postcards are superior to these RFD 'second generation' reproductions.

Charter Member #36, Jose Rodriguez, has been a student of Postal History for a long time and his collection of RFD* carriers on postcards is considered one of the two best in the United States! He will travel from his Connecticut home to show us absolutely spectacular views of mail men in various types of horse-drawn vehicles, vintage autos and even hand-pulled sleds!

Be sure to see this color slide presentation which will begin at 8 p.m., Nov. 19.

*Ed. note: for those of you under 40, RFD means Rural Free Delivery - the term used to describe most early country deliveries. For those of you over 40, my apologies for bringing this phenomenon to your attention. (There are "kids" out there who don't know.)

NOV. SPEAKER - SHORT BIOGRAPHY

Jose was reared in Brooklyn but spent many summers in Lancaster County, vacationing with his parents and twin brother. A NYC college graduate, he recently retired as a vice president (commercial loan dept.) from a Conn. bank. His avocation - postcards - has become his hobby/vocation.

Dealing under the name The Cartophilians Jose's postcard inventory is first class quality - in all areas - topical as well as views. He attends most of the larger PC shows. He's been a long-time member of the local Morlatton Club and will have a table in Lancaster on November 23 and 24.

PROGRAMS FOR 1991

True, these members have not yet been contacted, but it will not be a hard job to find twelve good programs for 1991. Here are a few ideas for next year's Program Chairperson:

Scarce Local Real Photo Cards - Howard Steinberg; Expositions - Jose Rodriguez; Local Businesses(expanded to 135) - Jim Ward.

Panel of "experts" to answer audience question by Daisy, Charlie, Elaine, Dan and Howard; Home Made Cards - Earl Carver; PFB's - Don Norbeck(York); Prang(the artist) - Don Norbeck; Covered Bridges - Rus Holmes.

Interview with the Author - Dorothy Ryan Miller; Horse-drawn Vehicles - Howard Steinberg; Patriotic Cards (Memorial Day, Lincoln and Washington); Thanksgiving Cards; College Campuses - Elizabethtown, MSTC, F&M; Railroads and Trolleys - Bill Siegford; Indians - Dede Schaeffer and Steven Mummert; The Ferloni Popes - George Ramonat.

The wonderful Mennonite Pioneer Lady Photographer Fannie Andrews and her brother Jacob and their fantastic real photo cards of Strasburg and Christiana; and these Town Views: Mt. Joy (Gerald Hostetter and Bernie Heisey), Mountville (Jere Greider), Columbia (Dan Good), Lititz (Lee Fry, Merv Wenger and Shirley Neidermyer), Lancaster City (John Long, Jim Ward, Jim McMullin and Howard Steinberg), Stevens Trade (Tom Beck), Rockey Springs (Jim McMullin); need I go on?

DUES for 1991 are payable NOW. Single members \$7 and families (same address/one newsletter) \$10. Make check payable to: LANCASTER COUNTY POSTCARD CLUB. Bring to next meeting or mail to: LCPC Box 300, LITITZ PA 17543-0300. Your new dues card will be mailed with next Newsletter.

SWEETS FOR THE SMOKER

Anne Steinberg, retired fourth grade teacher, just couldn't kick an old habit. In addition to her fine slide talk on Halloween Traditions, she brought a jar of Halloween candies. The member who guessed closest to the correct amount won the sweets.

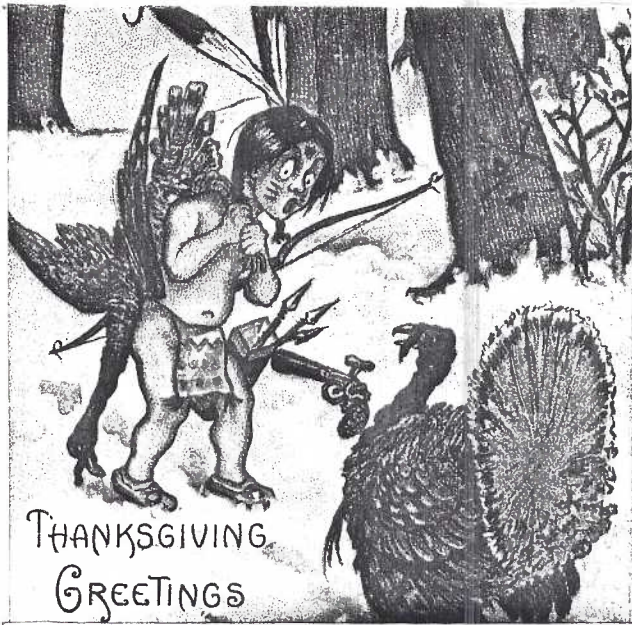

Twenty-eight of us participated. Those who guessed in the 70's and 90's would rather not be mentioned - nor would those who went wild in the 300's and 400's.

Congratulations to Paul Smoker. He said 145. There were 147. We hope he gave Josephine Groff at least a few, she said 150.

New Member #75, Carl Campbell, graciously donated a swell 50"x50" projection screen for the LCPC's use. It is temporarily stored at the President's house, but available to any member for Club use. It's new label designates property of the Lancaster County Postcard Club and mentions Carl as the donor. Thanks, Carl, very much!!

FIRST LCPC POSTCARD IN THE WORKS

The membership in November urged the Postcard Committee to proceed with printing its first card. The vertical scene - Willows Covered Bridge in Snow - was liked by the majority. Two photographers, an art teacher and a photography teacher all agreed it would look best without 'Greetings'. Delivery will be late November.

MEMBER GIVES SHOW TO SENIORS

Jim Ward showed an expanded version of his "Let's Go Shopping in Lancaster County" slide show on October 2,1990. It was before 48 guests of The Brethern Village, Lititz Pike. His 35 postcard presentation shown before our group last February has been expanded to 135 and included 20 Lancaster City plus new County cards.

It was well received and he was pleased to have several of the guests identify some of the general stores' previous owners.

A nine-page check-list of THE NARROW HER-SHEY POST CARDS by Mr. and Mrs. Jack L. Jenkins has been donated by Member #39 Robert Lieberher. We thank Bob for this new "book" which will supplement information some of you recently received in the form of Charlie Griffiths' check-list on the same subject.

An old friend to some of us, Dorothy Brown of Lancaster kindly donated a copy of Geo. and Dorothy Miller's classic, PICTURE POST CARDS IN THE UNITED STATES 1893-1918. This is our second copy and much appreciated as it is a 'best loaner' every month. Thanks, Dorothy, for your thoughtfulness.
