## PROGRAM

### TITANIC AMOUNT OF INFO IN MARCH

It was certainly a treat to view the raft of Titanic postcards shown in March by non-member **Dennis Becker**, a teacher from Fleetwood, PA. Not only had he a fine representation of these scarce cards but many had been autographed by survivors and dignitaries associated with the ill-fated liner.

We also learned that most cards depict the smoking stacks incorrectly. Also, many PCs (and dealers) sell non-Titanic views although the cards are labeled Titanic. But these little tidbits of information belong to the members who were present in March.

'Sorry some of you didn't make it!

His two tables of postcards and other Titanic information was extremely worthwhile and we thank him very much for his efforts in making the presentation.

## EXHIBIT WINNERS

March's EXHIBIT BOARDS were gentle reminders that March not only "came in like a lion" but it stayed long enough to postpone our meeting to the fourth Monday! But our tried and true local members showed up to total 55 plus 3 visitors and we all enjoyed the LIONS and LAMBS.

Chrm. **CHARLES GRIFFITHS** reminded us, it was easier finding lambs on the older postcards and lions on newer cards.

<b>WALT MOWRER</b>	FIRST	Easter Lambs
<b>JIM WARD</b>	SECOND	Easter Lambs by PFB
<b>ANNE STEINBERG</b>	THIRD	March 1993 - A Lion, Not a Lamb

### HONORABLE MENTIONS

<b>BETTY BROWN</b>	Behold the Lamb and the Lion
<b>EARL CARVER</b>	Harbingers of Spring
<b>DON DAVIS</b>	Looking Sheepish
<b>HAROLD MOYER</b>	King of the Beasts
<b>KATIE STEHMAN*</b>	March Goes in Like a Lion and out Like a Lamb

\*KATIE is another of our younger members (under 16) and we're so glad to see them take part in our Club. And doesn't Pres. Don ever run out of puns?

April's topic = INDIANS  
May's topic = ROYALTY

### APRIL - UMBRELLA MONTH

OK, this year February was RAIN month, so was March, at least everyone's water table is up! But our feature in April is **UMBRELLAS** beginning with our dressed hen above from the Auburn Postcard Mfg. Co.'s #613 Series. More on UMBRELLAS pgs. 4-7. Enjoy the cards!

## THANK YOU

**RUTH BAIR** and **GENE SOWERS** for substituting for **SALLY DANZ** in the membership chair.

**EARL CARVER** and **DON DAVIS** substituting for **LORRAINE SINGER** in the publicity chair.

**PAUL WEIDMAN**, **HAROLD** and **RUTH MOYER**, **NORM ZIMMERMAN**, **JERE GREIDER**, **MERV** and **BRANDON WENGER**, **HOWARD STEINBERG** and **JIM WARD** for bringing the postcards that helped us part with our \$\$\$'s in March. (Was it Cabin Fever that brought out everyone with the nice cards?)

To **JIM WALCK**, member #80 who has been contributing back issues of Postcard Collector since he joined.

**PEG HANNAH** for her warm smile and devoted time at the Greeter's table.

And our 'unsung heroes' since 1993 began are **DOT** and **HAROLD FRY** for handling the mailings each month.

A HATS OFF salute to them all!

Where could you find a better bunch - 'cept maybe on a grapevine!

Publicity Chairman Jere Greider announced an initial printing of 2,000 postcards to be distributed for EXPO 1993. Front and back are shown below. Announcements have already appeared for two months in Barr's News and Postcard Collector.

Each card bearer saves 50¢ on the \$1.50 admission so be sure you do your part to distribute the cards far and wide. We will make bulk mailings to nearby postcard clubs. Your job is to distribute them to non-

postcard collectors and non-members who are collectors. These are the people we want to make aware of our show - so they can be exposed to collecting through EXHIBITS and PROFESSIONAL DEALERS.

Your 1993 EXPO Committee is pleased to announce these 25 member-dealers will have booths at our August show:

## RETIRED? NO. RETOWERED.

Our local subject this month is making the headlines. On a dozen or more postcards dating from the Golden Age to Chromes is a building most of us know as the **J.B. Van Sciver Furniture Store**. It's found on several linens and chromes, all by **Curt Teich & Co.**

Older cards with one exception (see check list) call it the **Follmer-Clogg Umbrella Factory**.

The landmark corner tower disappeared soon after **Van Sciver's** purchased the property. **Curt Teich #5B-H53** is much scarcer than its 'sister card' of the linen era.

And the headlines? Well if we can believe the artist's sketch, the tower to be rebuilt will mirror the grand one which appears on our early views. Let's hope so!

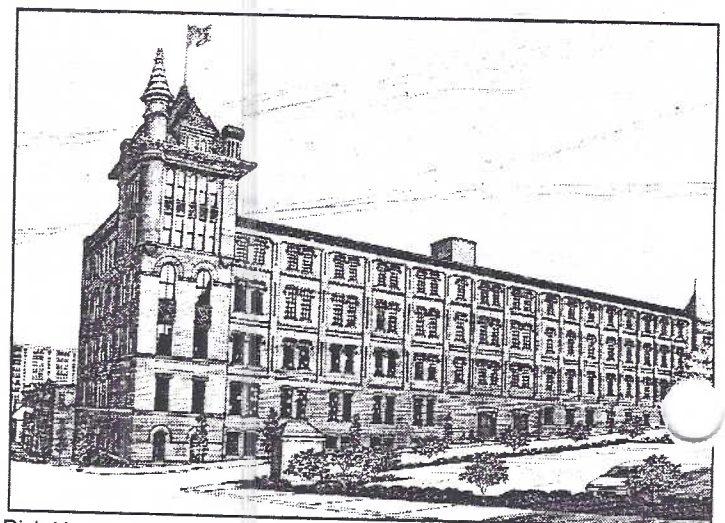

Oh, yes, why the grandiose renovations? The huge building shall become **The Umbrella Works**, an 84-unit apartment complex with 2,000 sq.ft. of retail/office on the first floor. Occupancy will be restricted to 'those who make between \$13,000 to \$32,000' according to newspaper stories of the last three months.

Perhaps we'll have yet another great PC to signify another collecting era. Should we designate a **STANDARD-SIZE COMMITTEE** to encourage a **standard-size postcard** or shall we sit back and await another 4"x 6"?

The 113-year old property is at West King and Mulberry Streets in Lancaster, PA.

A fine black and white rendering by **Albert-type** for **H.S. Williamson**, an East King St. department store that sold many fine early Lancaster views on **postcards** (and no doubt umbrellas as well!)

Rick Herr produced this artist's conception of Umbrella Works.
