## Where You'll Find Them

Entrance

**You're invited** to become a member of LCPC – the Lancaster County Postcard Club.

An application can be found on the back of this program.

Our meetings are held the third Monday of each month from 5:30 to 9 p.m. here at the Farm & Home Center. They are open to the public. You may join us in sharing what we learn about postcards through our entertaining and educational programs and our club library. We have competitive postcard exhibits at nearly every meeting.

#### **Dues – Special Expo Offer**

LCPC's fiscal year is April to March for which we charge \$10. Sign up at the Expo for a special rate of \$15. It pays your dues from Aug. 2005 through March 2007.

Our monthly publication, *The Card*, includes club news, local postcard history and articles covering postcard collecting in general. Ask for a complimentary copy

Highlights of the year include publishing a National Postcard Week card in spring, a picnic and our Annual Expo in summer, a postcard auction in the fall and our annual Christmas party.

#### **Windows to Our Past – Volume 2**

In 1998 our club published a hard cover deluxe edition book of 500 local postcard views with descriptions and values. *Windows to Our Past*, we've learned, is the first book of its size and substance to be published by a postcard club. The edition of 2,000 copies is sold out. Copies are now selling at a premium.

Four years later LCPC took up the venture once more. *Windows to Our Past, Volume Two*, made its debut at our 2002 Expo. It includes 520 views different from *Volume One* and we increased the color plates from 49 to 109 while holding the price at \$30 incl. sales tax! *Volume One* has been sold out for many years. They bring \$85 to \$100. Each volume was limited to a printing of 2,000 books. You might consider getting extra copies of *Volume Two* today. The books make wonderful gifts. Relatives and friends who've moved from Lancaster will certainly enjoy these old postcard views.

**Voting is a privilege.**

**Cast your exhibit ballot for  
The People's Choice Award.**

**Door Prize Certificates  
may be used as cash  
at any dealer's table.**

#### **Postcards on our program covers.**

Views on the front cover include two issued just this year. The Clipper Magazine Stadium arrived at the stadium's store just a month after opening day, May 11, 2005. Our president helps part-time in the store. The Nevin Fountain card marks the lion's 100<sup>th</sup> anniversary in Reservoir Park, opposite the Thaddeus Stevens College of Technology. We're all familiar with the F. W. Woolworth Store that once stood in the first block of North Queen Street.

Rocky Spring's 1930s linen card, The Wild Cat, has proven to be the most popular view in the park's history. The final two views play a part in Pres. Sharon's life. St. John's Episcopal in Lancaster is her church and the P.R.R. Telegraph Tower and Railroad House were once landmarks in Sharon's present hometown, Landisville.
